

Pressure Water Cleaners

Kärcher® has just launched an exciting new range of mid-series domestic high pressure cleaners. All new models can draw water directly from a bucket or water tank, so you can still clean your car, boat or house exterior with up to 25 times more pressure than a garden hose while using up to 80% less water.

Beat-A-Weed®

Beat-A-Weed® is an environmentally safe Natural Weed and Grass Killer from Richgro. The active constituents are entirely natural: acetic acid (vinegar) and sodium chloride (salt), so it requires no poison warning. Amazingly, it kills weeds within hours of application. It's bound to fly off the shelves!

A Sound Enviro-ment

Enviro Rubber mats are available in a range of designs such as Gothic, Classic and Welcome in 45x68cm and 60x90cm. Made in Australia from recycled tyres the Enviro-mats trap dirt and still allow water to permeate through. Extremely easy to clean by hosing or brushing clean, these mats do not rot. Being rubber they have the added benefit of being anti-skid.

lighten your load

We've all had a wheelbarrow disaster. Perhaps it was just too heavy to lift, or a full load toppled over and freshly raked leaves were strewn across the lawn!

Thankfully, with the new 3 Wheelbarrow (below) you can move up to 100kg without having to lift it, which is great news for backs. Pneumatic rubber wheels absorb the shocks over rough ground, the front wheel swivels, and the three-wheel design means the barrow won't tip to the left or right and spill your load. For stockist information, call Bunnings on (03) 8831 9777.

We have two 3 Wheelbarrows valued at \$169 each to give away. To enter, tell us in 25 words or less about the biggest mess you've ever made in the garden.
